

The Hearing Dog

Training project to aid deaf, save dogs

January 19, 2019
10:00 a.m. - 12:00 noon

**The Sanderson Center
to the Deaf and Hard of Hearing**
5709 South 1500 West
Taylorsville, Ut 84123

Bill Ordonez is a former dog trainer for Hearing Dogs. The Hearing Dog is a type of assistance dog specifically selected and trained to assist people who are deaf or hard of hearing by alerting their handlers to important sounds, such as doorbells, smoke alarms, ringing telephones, or alarm clocks.

In the late 70's the Hearing Dog program was still in its infancy. While working at the Riverside Humane Society, Bill started a project to see what it would take to train dogs to aid the deaf and hard of hearing.

Please join us at HLAA's January meeting to learn more about Hearing Dogs. Assistive listening devices and real time captions are at every HLAA meeting.

If you need an ASL interpreter for this presentation, please email: hearinglossutah@gmail.com to request one.
